Memorandum of Understanding Between Purple Techno Solutions And RK COLLEGE OF ENGINEERING

Purple Techno Solutions is a pioneering IT solution and design service provider. Our IT domain experts and team of experienced designers offer comprehensive automated applications and creative designing services for diverse industries.

Purple Techno Solutions provide End to End complete solutions to clients. The solutions offered include Automation, Robotics, Electronics, Instrumentation and Fire Protection Systems.

RK COLLEGE OF ENGINEERING was established in the year 2007 at Guntur, Andhra Pradesh with varied Industrial and consultancy experience. All the courses are approved by All India Council of Technical Education (AICTE), New Delhi.

Now, therefore, Purple Techno Solutions and RK COLLEGE OF ENGINEERING have agreed to the following:

A) PURPOSE

The purpose of this MOU is to provide the framework for a partnership arrangement between Purple Techno Solutions and RK COLLEGE OF ENGINEERING to have a mutual understanding of providing training and consulting services to the students. This capacity will be mobilized by Purple Techno Solutions to deliver first-class training to the students, helping them to understand the real-time applicability of the theory that had learned in the classroom.

B) AREAS OF COOPERATION

The activities shall include but not be limited to the technical training of the students.

The technologies includes

- Embedded systems
- Instrumentation
- Electrical Automation
- Fire & safety
- Networking
- Software development
- Soft skills development
