(Accredited by NAAC with 'A' Grade)

Kethanakonda (V), Ibrahimpatnam (M), Vijayawada, AMARAVATI-521456.

## POLICY DOCUMENTS OF THE INSTITUTION

R K College of Engineering, one of the best engineering colleges in Andhra Pradesh, has always taken a green agenda. And it has shown remarkable awareness in maintaining an eco-friendly campus. On visiting the Campus, one can experience the aesthetic and elegant buildings; spacious sports ground and lush green environment conducive for teaching – learning process.

### 1. RENEWABLE ENERGY :

Promoting solar energy is a priority for our institute. In addition, we believe that stakeholders should be encouraged and supported in adapting solar power equipment.

### 2. ENERGY CONSUMPTION:

The college is committed to reducing energy waste and supports the slogan "energy saved is energy generated." On campus, the following guidelines are strictly followed:

- When you leave the table, turn off the monitor.
- Use daylight instead of unnecessary lighting.
- When not in use, turn off the lights and fans in the labs, seminar halls, and classrooms.

### 3. WASTE MANAGEMENT :

RKCE is committed to minimizing or eliminating waste. The initiatives listed below are put into action.

- Keep a stack of side-printed paper and use it for rough work every day.
- Utilize more soft-form read-out content. Reduce the amount of hard-copy material.
- Increase your use of e-mail for official communication, online reading, etc.
- Make sure that the college staff only uses cleaning products that have a negligible negative impact on the environment.

## 4. WATER RESOURCES:

In order to solve and manage water scarcity an issue that may arise in the future, our institute consistently practices and implements rainwater recycling as well as harvests rainwater. In order to prevent the loss of potable water, our maintenance staff regularly checks for tap leaks and makes any necessary repairs right away.

## 5. RESTRICTED ENTRY OF AUTOMOBILES:

The college operates a fleet of 10 buses covering each corner of Vijayawada to facilitate the students and staff. The institute encourages the staff and students to use the college transport instead of their own vehicle for safety, security, fuel conservation and to reduce environmental pollution.

## 6. USE OF BICYCLES:

Students and staff coming from nearby villages also prefer bicycle as a mode of transport for attending the college. It is environment friendly and prevents pollutions.

## 7. BAN ON USE OF PLASTIC:

Single -use plastic items such as plastic bottles, bags, spoons, straws and cups are banned completely and awareness is created among staff and students through orientation and display boards in the premises. To restrict the use of plastic, measures have been taken to replace plastic tea cups and glasses with steel glasses in the canteen. The staff and students are informed to use steel or copper water bottles instead of plastic bottles.

## 8. LANDSPACING WITH TREES AND PLANTS:

The institute has a canopy of trees and plants to make the environment pollution free to safeguard the health of all the inmates. The lawns and the trees provide shade and beautiful ambience. Utmost care is taken to develop and maintain green landscaping by trained gardeners and supervisor
