### MEGA BLOOD DONATION CAMP

Blood is essential to help patients survive surgeries, cancer treatment, chronic illnesses, and traumatic injuries. This lifesaving care starts with one person making a generous donation. The need for blood is constant. But only about 3% of age-eligible people donate blood yearly.

Regular blood donation by a sufficient number of healthy people is needed to ensure that blood will always be available whenever and wherever it.

RKCE has conducted Mega Blood Camp with Association with Andhra Hospitals in this activity nearly 150 students and faculty members have donated their blood. Dr.K.RamaKrishnaiah, Principal of RKCE has appreciate all the participants' and distributed participate certificates.
