Dear Peetha Pujitha,

We extend a warm welcome to you at TekWorks Enterprise Solutions Private Limited! It is with great pleasure that we introduce you to our dynamic team. As a valued member, we are excited about the role you will play in realizing our vision, upholding our leadership principles, and embracing our distinct corporate culture.

At TekWorks, our core values encompass PASSION, ACCOUNTABILITY, OUT-OF-THE-BOX THINKING, and COLLABORATION. These values are integral to the way we operate and create a vibrant environment for our people to thrive.

We are impressed by your performance in both our Assessment and interview processes, which has led us to offer you a unique opportunity. You are invited to embark on a transformative journey through our intensive 6-month Internship Program. During this period, you will receive a stipend of up to INR 10,000 per month.

The first phase of your tenure will be a probationary period, during which you will undergo comprehensive training and skill development. Upon successful completion of this phase, you will be officially inducted into the TekWorks 6 Month Internship Program.

Upon meeting our rigorous standards, you will have the chance to join our client engagements. This will entail adhering to established processes, terms, and conditions. As your experience unfolds, you will receive a detailed offer letter outlining your compensation package. This package will be determined by various factors, including your performance during the internship, prevailing market standards, job role, location, and other relevant considerations.

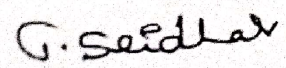

We are excited to announce that your journey with us will commence soonest possible. To ensure a smooth onboarding process, please follow the joining formalities as instructed by our HR Team. Remember to have all your documents, both originals and attested copies, at hand to facilitate this process.

Should you require any further assistance or support, do not hesitate to reach out to our HR team at info@tekworks.in. We genuinely anticipate a lasting and mutually beneficial partnership as we embark on this collaborative path.

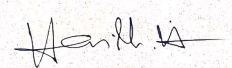

Here's to the beginning of an enriching career journey with TekWorks!

Warm regards,
