FUNCTIONS:

The Results Committee shall have the following responsibilities:

1. Ensure accuracy and timely declaration of examination results in accordance with institutional and university standards.
2. Verify and consolidate results submitted by controller of examination and analyze pass percentages for each course and program.
3. Prepare a summary of course/program-wise results and pass percentage, to be submitted to the IQAC Committee for quality assessment and improvement.
4. Publish results and facilitate the issuance of certificates, as required to be provided by the University and Institute, to the students who successfully pass the final examinations.
5. Organize meetings post-examination to review the result-processing cycle and recommend improvements in result management.
6. Coordinate with the Examination Committee for any statistical corrections or discrepancies found in the examination data.
7. Maintain a record of all result-related documentation for transparency and future reference.
