EDUSYS: Book Return Page

The screenshot shows the EDUSYS web application interface for book returns. The browser address bar shows the URL: `edusys.co/edusysschool/Home/Index#/15/76`. The application header includes the college name "R K COLLEGE OF ENGINEERING", the academic year "2023-24", and the user name "Anand". The navigation menu shows "Home" > "Library" > "Library Management". The "Returns" tab is active, displaying a search filter for "21mc1a6101" and a table of user details for "A. BALAJI" with enrolment number "21MC1A6101". The main table lists return records with columns: S.No, *Select, Item Type, Item Name, ISBN, Barcode, Accession Number, Issue Date, Due Date, Late Days, Late Fee(INR), and Comment. The table is currently empty, showing "No records found". Below the table, there is a "Total Late Fee: INR: 0" and a "Generate Receipt" checkbox. "Return" and "Clear" buttons are also present.
